

LIST OF COMPLETED PROJECTS AND MAIN STAGES REALIZED UNDER THE FEDERAL REGIME OF SECTION 23 OF THE JBNQA (AND CEA Act WHEN APPLICABLE)

Abbreviations:

CEAA: Canadian Environmental Assessment Agency
CEA Act: Canadian Environmental Assessment Act
DCH: Department of Canadian Heritage
INAC: Indian Affairs and Northern Canada
EC: Environment Canada
EFDs: Expert Federal Departments
ER: Environmental Review
ESIS: Environmental and Social Impact Study
F&O: Fisheries and Oceans Canada
FA: Federal Administrator
FAct: Fisheries Act
FEARO : Federal Environmental Assessment Review Office
FRP-N: Federal Environmental and Social Impact Review Panel North
JBNQA: James Bay and Northern Quebec Agreement
KEAC: Kativik Environmental Advisory Committee
KEQC: Kativik Environmental Quality Commission
KRG: Kativik Regional Government
Makivik: Makivik Corporation, Proponent
NRCan: Natural Resources Canada
NWPA: Navigable Waters Protection Act
PA: Provincial Administrator
PC: Parks Canada Agency
RA: Federal Responsible Authority/Authorities according to the CEA Act
TC : Transports Canada

NB 1: The Executive Secretary for FRP-N is an employee of CEAA.

NB 2: The hydroelectric project Great-Whale proposed by Hydro-Quebec has been excluded from this list. The FRP-N activities for this project has been included into an harmonization agreement on January 1992 (Directive production and examination).

1. Advance Operation Base at Kuujjuaq (Ministry of Defence)

Date	Activity	Participants	Comments
30-11-1988	Correspondence	Ministry of Defence to FA.	Intent to build and use an Advance Operation Base at Kuujjuaq.
09-01-1989	Correspondence	FA to Ministry of Defence.	Project under the federal examination process of the JBNQA
02-05-1989	Public consultation	FRP-N.	Public consultation held at Kuujjuaq.
07-1989	Directive	FA to Ministry of Defence.	Directive on the impact study to be produced by the proponent.
06-03-1992	Correspondence	Ministry of Defence to FA.	Project stop (budget cuts).

2. Kuujjuaq wharf in Noovuk Bay (Kuujjuamiut)

Date	Activity	Participants	Comments
02-04-1992	Correspondence	FA to FRP-N.	Project notice.
13-05-1992	Correspondence	FA to FRP-N.	FRP-N mandate.
26-05-1992	Directive	FRP-N to FA.	Directive for the impact study to be produced.
17-06-1992	Directive	FA to proponent.	Directive to be sent.
30-06-1992	Correspondence	Proponent to FA.	Impact study reception and FRP-N project examination.
02-12-1992	Correspondence	FRP-N to FA.	FA stops FRP-N work following the Federal Court of Appeal decision for the Eastmain-1 project.

3. Nickel and copper mine at Raglan lake (Falconbridge)

Date	Activity	Participants	Comments
02-04-1992	Correspondence	FA to FRP-N.	Project notice.
13-05-1992	Correspondence	FA to FRP-N.	FRP-N mandate.
09-06-1992	Meeting	FRP-N.	Project examination.
16-06-1992	Meeting	FRP-N.	Preparation of a preliminary directive.
13-07-1992	Directive	FA to proponent.	Directive for the impact study to be produced.
13-08-1992	Correspondence	Proponent to FA	Impact study reception and FRP-N project examination.
02-12-1992	Correspondence	FA to FRP-N.	FA stops FRP-N work following the Federal Court of Appeal decision for the Eastmain-1 project.

4. Marine Infrastructures in Kangiqsualujjuaq (Makivik)

Date	Activity	Participants	Comments
23-01-1998	Meeting	Makivik, CEAA	Discussion concerning the procedure in Section 23 of the JBNQA pursuant to the CEA Act.
05-1998	Directive	CEAA, FRP-N	FRP-N directive concerning ESISs relating to the marine infrastructure projects in Puvirnituaq, Quaqtaq and Kangiqsualujjuaq.
13-07-1998	Conference call	CEAA, FRP-N	Discussion concerning the assessment stages of the project
17-07-1998	Receipt of ESIS	FA	Received by FA and sent to FRP-N members on July 22, 1998.
07-08-1998	Meeting	FRP-N, CEAA	Assessment of ESIS.
11-08-1998	Meeting	FRP-N (1 member) and CEAA	Coordination meeting in Kangiqsualujjuaq with the Municipal Council.
26-08-1998	Site visit	CEAA, FRP-N	Visit to Kangiqsualujjuaq.
27-08-1998	Meeting	CEAA, FRP-N, Makivik	Meeting with the Proponent and the Proponent's consultant in Kangiqsualujjuaq.
	Public consultations	FRP-N, Makivik and 12 residents	Public consultations, including a radio broadcast.
15-09-1998	Correspondence	From FRP-N to FA	Request for additional questions from FRP-N in order to complete the assessment.
02-10-1998	Correspondence	From FRP-N to Makivik	Additional questions from FRP-N forwarded to Makivik, including comments from RAs.
05-11-1998	Correspondence	From Makivik to FRP-N	Response to issues raised.
07-04-1999	Correspondence	RA to Makivik	Additional questions.
X-04-1999	Correspondence	Makivik to INAC	Response to the additional questions from RAs (including EDs) and FRP-N.
17-05-1999	Correspondence	FRP-N to FA	Recommendation of FRP-N to proceed with the project.
02-06-1999	Correspondence	FA to Makivik	Recommendation to proceed with the project.
07-1999	Agreement	F&O and Makivik	Compensation agreement for the loss of fish habitat in accordance with FAct.
08-09-1999	Correspondence	CEAA, Makivik, RA	Screening report indicating the absence of significant negative impact.
09-08-2001	Correspondence	F&O to Makivik.	Important delay to produce the follow-up report scheduled in the compensation agreement (FAct).

5. Marine Infrastructures in Quaqtaq (Makivik)

Date	Activity	Participants	Comments
17-08-1999	Meeting	F&O, EC, INAC, CEAA	Coordination meeting in order to determine the ESIS process.
30-08-1999	Conference call	CEAA, KEAC	Transfer of information relating to the completed project and to future projects.
02-09-1999	Meeting	CEAA, FRP-N	Support of FRP-N with respect to the coordination process.
03-09-1999	Correspondence	CEAA to KEAC	Presentation of the coordination process.
08-09-1999	Meeting	KEAC, Makivik, INAC and CEAA	Assessment of coordination options.
14-10-1999	Receipt of ESIS	CEAA	Received by the FA on October 14 and by CEAA, Quebec on October 22.
30-11-1999	Meeting	Makivik, FRP-N, RAs (F&O and INAC), EDs and CEAA	1 st coordination meeting.
22-12-1999	Meeting	FRP-N, RA, ED and CEAA	2 nd coordination meeting.
11-01-2000	Correspondence	KEAC to CEAA	KEAC's response to CEAA's letter dated September 3. Coordination in order to examine the ESIS more closely prior to making recommendations.
08-02-2000	Correspondence	FRP-N to Makivik	Additional questions from FRP-N. (English version: February 15, 2000).
09-03-2000	Correspondence	Makivik to COFEX	Response to issues raised.
20-03-2000 to 23-03-2000	Public consultations	Makivik, FRP-N, KEQC	Public consultations in Quaqtaq.
11-04-2000	Request for Information	F&O to FRP-N	Request for additional information (English version: April 19).
28-04-2000	Correspondence	KEAC to CEAA	KEAC requested an assessment of the ESIS process coordination pilot project from CEAA.

5. Marine Infrastructures in Quaqtaq (continued)

Date	Activity	Participants	Comments
05-15-2000	Correspondence	FRP-N to the FA	Recommendation of FRP-N.
26-05-2000	Correspondence	Makivik to FRP-N	Response to the request for additional information: No additional information will be sent, only minor clarifications.
30-05-2000	Correspondence	Makivik to FRP-N	Notification of modifications made to the initial design and to the plans.
30-05-2000	Correspondence	CEAA to KEAC	CEAA's response to KEAC's letter dated April 28 and invitation to participate in the ESIS improvement process in the territory.
07-06-2000	Correspondence	Makivik to CEAA	Receipt of the second set of responses from Makivik.
Summer 2000	Correspondence	FRP-N to FA	Final recommendation: Acceptance of the project with comments.
13-12-2000	Workshop	Makivik, RAs	Workshop on FAct.
22-01-2001	Correspondence	RA to Makivik	Compensation agreement with F&O
05-02-2001	Correspondence	CEAA (RA) to Makivik	Environmental screening report indicating the absence of significant negative impact.
09-08-2001	Correspondence	F&O to Makivik.	Important delay to produce the follow-up report scheduled in the compensation agreement (FAct).

6. Marine Infrastructures in Umiujaq (Makivik)

Date	Activity	Participants	Comments
14-04-2000	Correspondence	Makivik to CEAA	Notification of projects in Umiujaq, Kangiqsujaq and Kuujjuaq.
14-07-2000	Correspondence	FRP-N and RA, ED to Makivik	The CEA Act – JBNQA joint directive concerning the 3 new projects (Umiujaq, Kangiqsujaq and Kuujjuaq) was sent.
18-07-2000	Meeting	RAs, EDs, FRP-N, Makivik	Post-mortem and discussion concerning the joint directive.
27-07-2000	Technical visit	RAs, FRP-N and Makivik	Technical visit from July 24-27.
27-11-2000	Receipt of ESIS	Makivik to FA	Receipt of the ESIS at CEAA, Quebec.
05-12-2000	Correspondence	CEAA	ESIS was sent to: RAs (INAC, F&O) and EDs (EC, NRCan, PC) and FRP-N.
20-12-2000	Correspondence	CEAA (Quebec) to FA	Draft letter for the FAs mandate at FRP-N to be sent to Ottawa.
Winter 2001	Various calls	RAs, EDs, FRP-N	Discussions concerning the ESIS.
19-02-2001	Public consultations	FRP-N, RAs, KEQC, Makivik and 20 residents	Joint public consultation in Umiuijaq.
28-02-2001	Correspondence	RAs, EDs, FRP-N to Makivik	Additional questions sent to the Proponent.
03-05-2001	Correspondence	Makivik to FRP-N and RAs	Response to the first set of questions.

6. Marine Infrastructures in Umiujaq (continued)

Date	Activity	Participants	Comments
04-06-2001	Conference call	RAs, EDs and CEAA	Discussions concerning the Proponent's response.
06-06-2001	Meeting	FRP-N	Meeting to analyze the Proponent's response.
22-06-2001	Correspondence	FA to FRP-N	Mandate to proceed with the ESIS assessment.
19-07-2001	Correspondence	FRP-N to FA.	Final recommendations and comments were sent.
20-07-2001	Correspondence	FA to Makivik, KRG and KEAC	Final decision was sent.
07-2001	Correspondence	RA to Makivik	Compensation agreement with F&O
28-08-2001	Meeting	RA (F&O, INAC) and CEAA	Discussions to unblock the EA due to the dissatisfaction of the EDs
29-08-2001	Correspondence	CEAA to Makivik	List of needed documents to complete the EA process under the CEA Act.
12-10-2001	Correspondence	CEAA (RA) to Makivik	Environmental screening report indicating the absence of significant negative impact but include a list of mitigation measures.
05-12-2001	Correspondence	Makivik to CEAA	Transmission of required document (explanation letter about the project completion before authorization).

7. Marine Infrastructures in Kangiqsujuaq (Makivik)

Date	Activity	Participants	Comments
14-04-2000	Correspondence	Makivik to CEAA	Notification of projects in Umiujaq, Kangiqsujuaq and Kuujuaq.
14-07-2000	Correspondence	FRP-N and RAs, EDs to Makivik	The CEA Act – JBNQA joint directive concerning the 3 new projects (Umiujaq, Kangiqsujuaq and Kuujuaq) was sent.
27-07-2000	Technical visit	RAs, FRP-N and Makivik	Technical visit from July 24-27.
01-2001	Receipt of ESIS	Makivik to FA	Receipt of the ESIS at CEAA, Quebec.
19-01-2001	Correspondence	CEAA	ESIS was sent to: RAs (INAC, F&O) and EDs (EC, NRCan, PC) and FRP-N.
Winter 2001	Various calls	RAs, EDs, FRP-N	Discussions concerning the ESIS.
26-03-2001	Public consultations	FRP-N, RAs, KEQC, Makivik and 30 residents	Joint public consultation in Kangiqsujuaq.
26-04-2001	Correspondence	RAs, EDs, FRP-N to Makivik	Additional questions were sent to the Proponent.
31-05-2001	Correspondence	Makivik to FRP-N and RAs	Response to the first set of questions.
06-06-2001	Meeting	FRP-N and CEAA	Discussions concerning the Proponent's response.

7. Marine Infrastructures in Kangiqsujaq (continued)

Date	Activity	Participants	Comments
06-2001	Various calls	RAs, EDs and CEAA	Discussions concerning the Proponent's response.
22-06-2001	Correspondence	FA to FRP-N	Mandate to proceed with the ESIS assessment.
26-06-2001	Meeting	FRP-N, RAs, CEAA	Meeting in Kuujjuaq to analyze the Proponent's response.
19-07-2001	Correspondence	Avataq Institute to PC.	Makivik destroyed an archaeological site.
27-07-2001	Correspondence	RA to Makivik.	Compensation agreement with F&O
30-07-2001	Correspondence	PC to AR (F&O).	Comments on the non-respect of the scheduled attenuation measures described in the ESIS and requests for compensation.
02-08-2001	Correspondence	RA (F&O) to PC.	Strategy for the actual situation.
08-08-2001	Correspondence	RA (F&O) to RA (INAC).	Request to hold money transfer form this project and evaluation to possibly reject the project under CEAA because it is already completed.
09-08-2001	Correspondence	RAs (F&O) to Makivik.	Answers to the RAs and EDs requests are not satisfactory.
08-2001	Various calls	COFEX-N to CEAA.	Discussions on possible actions.
08-2001	Various calls	RAs, EDs and CEAA.	Discussions on possible actions..
27-08-2001	Correspondence	FRP-N to FA.	Final recommendation and comments were sent.
28-08-2001	Meeting	RA (F&O, INAC) and CEAA.	Discussions to unblock the EA due to the dissatisfaction of the Eds, especially related to the damages done to an archaeological site by Makivik.
29-08-2001	Correspondence	CEAA to Makivik.	List of needed documents to complete the EA process under the CEA Act.
09-2001	Correspondence	Makivik to CEAA.	Transmission of certain required documents (archaeological reports).
19-10-2001	Correspondence	FA to Makivik, KRG and KEAC.	Final decision was sent.
05-12-2001	Correspondence	Makivik to CEAA.	Transmission of remaining required document (explanation letter about the project completion before authorization).
20-12-2001	Correspondence	CEAA (RA) to Makivik.	Environmental screening report indicating the absence of significant negative impact but include a list of mitigation measures.

8. Marine Infrastructures in Kuujjuaq (Makivik)

Date	Activity	Participants	Comments
14-04-2000	Correspondence	Makivik to CEAA	Notification of projects in Umiujaq, Kangiqsujaq and Kuujjuaq.
14-07-2000	Correspondence	FRP-N and RAs, EDs to Makivik	The CEA Act – JBNQA joint directive concerning the 3 new projects (Umiujaq, Kangiqsujaq and Kuujjuaq) was sent.
27-07-2000	Technical visit	RAs, FRP-N and Makivik	Technical visit from July 24-27.
19-04-2001	Receipt of ESIS	Makivik to FA	Receipt of ESIS at CEAA, Quebec.
19-04-2001	Correspondence	CEAA	ESIS was sent to: RAs (INAC, F&O) and EDs (EC, NRCan, PC) and FRP-N.
15-08-2001	Correspondence	Government of Quebec to CEAA	Inquiry concerning the relevance of the federal government's involvement in this matter.
04-06-2001	Conference call	RAs, EDs and CEAA	Discussions concerning the ESIS.
06-06-2001	Meeting	FRP-N and CEAA	Discussions concerning the ESIS.
13-06-2001	Correspondence	CEAA to the government of Quebec	Assessment of the project pursuant to the JBNQA (Schedule 1 of 23.4.15) and the CEA Act (Section 5: federal powers). Response to the letter dated May 18, based on the general intent of the <i>Marine Infrastructure Program</i> .
13-06-2001	Correspondence	CEAA to: KRG, KEQC, KEAC	Notification that the federal assessment process concerning the JBNQA is underway and that there will be a joint public hearing (FRP-N and KEQC) on June 27.
22-06-2001	Correspondence	FA to FRP-N	Mandate to proceed with the ESIS assessment.
26-06-2001	Technical visit	RAs, FRP-N and Makivik	Technical visit of the site, including the access route.
27-06-2001	Public consultations	FRP-N, RAs, KEQC, Makivik and 12 residents	Joint public consultation in Kuujjuaq.
28-06-2001	Meeting	CEAA and Makivik	Discussions concerning the quality of the completed ESISs and concerning the development of a new "joint" directive for the Ivujivik project.
08-07-2001	Correspondence	RAs, EDs, FRP-N to Makivik	Additional questions sent to the Proponent.
17-08-2001	Correspondence	Makivik to FRP-N and RAs.	Response to the questions.
08-2001	Various calls	RAs, EDs and FRP-N	Discussions concerning the Proponent's response.

8. Marine Infrastructures in Kuujuaq (continued)

Date	Activity	Participants	Comments
24-08-2001	Correspondence	FRP-N to Makivik	Second set of additional questions.
28-08-2001	Meeting	RA (F&O, INAC) and CEAA	Discussions to unblock the EA due to the dissatisfaction of the EDs
29-08-2001	Correspondence	CEAA to Makivik	List of needed documents to complete the EA process under the CEA Act.
30-08-2001	Correspondence	FRP-N to FA. (cc to KRG on Sept 26).	Partial recommendation (access road) and more information to be sent.
09-2001	Correspondence	Makivik to FRP-N and RAs.	Response to the second set of additional questions.
09-2001	Correspondence	Makivik to CEAA	Transmission of some of the required documents (archaeological survey and notice on permafrost).
09-2001	Phone conversation	CEAA (RA) to Makivik	Partial authorization for the access road as mentioned in the CEAA letter of August 29.
17-09-2001	Correspondence	FA to Makivik, KRG and KEAC	Partial decision to be sent.
09-11-2001	Correspondence	Makivik to CEAA	Transmission of the remaining required documents (benthic survey and sedimentology study).
12 to 14 – 11-2001	Site visit	CEAA, F&O, Makivik	Inspection and consultation visit in Nunavik: Request for complementary information on the planned confining dam.
14-12-2001	Correspondence	Makivik to CEAA	Complementary information about the confining dam.
20-12-2001	Correspondence	F&O to INAC	F&O will not trigger the Act as there is no impact on the fish habitats.
14-01-2002	Correspondence	FRP-N to FA	Final recommendation and comments.
20-02-2002	Correspondence	FA to Makivik, KRG, KEAC	Final decision to be sent.
11-10-2002	Correspondence	CEAA (RA) to Makivik	Environmental screening report indicating the absence of significant negative impact.

9. Marine Infrastructures in Ivujivik (Makivik)

Date	Activity	Participants	Comments
05-06-2001	Correspondence	Makivik to CEAA.	Notification of the project in Ivujivik.
05-06-2001	Correspondence	CEAA to: RAs (INAC, F&O) and EDs (EC, NRCan, PC) and FRP-N.	Project Notification Form was sent.
13-06-2001	Assessment	CEAA.	Assessment of the project pursuant to the JBNQA (Schedule 1 of 23.4.15) and the CEA Act (Section 5: federal powers).
17-07-2001	Correspondence	FRP-N and RAs, EDs to Makivik.	The CEA Act – JBNQA joint directive to be sent.
17-07-2001	Correspondence	FRP-N and RAs, EDs to Makivik.	The CEA Act – JBNQA joint draft directive to be sent.
17-07-2001	Meeting	FRP-N and RAs, EDs to Makivik.	Presentation of the CEA Act – JBNQA joint draft directive.
20-07-2001	Correspondence	FA to Makivik.	The final CEA Act – JBNQA joint directive to be sent.
Nov. and Dec. 2001	Meetings and correspondences	CEAA (Quebec) and FA	Development of a strategy to enhance the efficiency of the environmental assessment processes.
12 to 14 11-2001	Technical visit	FRP-N, F&O and Makivik.	Technical visit of the site returning from Quaqtaq and Kangiqsualujuaq.
17-12-2001	Receipt of ESIS	Makivik to FA.	Receipt of the ESIS at CEAA, Quebec.
18-12-2001	Correspondence	CEAA to FRP-N, RAs, EDs.	ESIS to be sent.
18-12-2001	Correspondence	FRP-N to KRG.	Notification that the ESIS is available from Makivik.
18-12-2001	Correspondence	CEAA (Quebec) to FA.	Draft letter for the FA's mandate at FRP-N under the JBNQA.
09 and 11-01-2002	Correspondences	F&O and INAC to FA.	Request for the FRP-N to produce the Screening report under the CEA Act.
15-01-2002	Correspondence	CEAA (Quebec) to FA.	Draft letter for the FA's mandate at FRP-N under the CEA Act.
30-01-2002	Correspondence	FRP-N to F&O, INAC and ED's.	Proposal of the FRP-N to produce the Screening report under the CEA Act.
05-02-2002	Correspondence	FA to FRP-N.	Mandate to proceed with the ESIS assessment.
05-02-2002	Meeting	FRP-N.	Discussions concerning the ESIS.
18-02-2002	Correspondences	FA to F&O and INAC. FA to FRP-N	Confirmation that the FRP-N mandate is extended to produce the Screening report under the CEA Act.

9. Marine Infrastructures in Ivujivik (continued)

Date	Activity	Participants	Comments
19-02-2002	Correspondence	FRP-N to Makivik.	Additional questions sent to the Proponent.
26-02-2002	Correspondence	Makivik to CEAA CEAA to FRP-N	Notification of project modification as requested by the local population.
06-03-2002	Conference call	FRP-N.	Discussion concerning the modification.
11-03-2002	Correspondence	FRP-N to Makivik.	Additional questions sent to the Proponent concerning the modification to the project.
14-03-2002	Public consultation (radio show)	FRP-N, KEQC, Makivik.	Joint (FRP-N and KEQC) public consultation in Ivujivik.
20-03-2002	Correspondence	Makivik to FRP-N.	Response to both sets of questions.
04-04-2002	Conference call	FRP-N.	Discussion concerning the Proponent's response.
09-04-2002	Correspondence	Makivik to FRP-N.	Last documents requested.
16-04-2002	Conference call	FRP-N.	Discussion concerning the Proponent's response.
24-04-2002	Correspondence	RA to Makivik.	Advice concerning FAct.
30-04-2002	Correspondence	FRP-N to FA.	Final recommendation and comments and preliminary screening report under the Act to be sent.
28-05-2002	Correspondence	FA to Makivik, KRG and KEAC.	Final decision to be sent.
30-05-2002	Correspondence	CEAA (RA) to Makivik.	Final screening report indicating the absence of significant negative impact. F&O authorization under 35(2) of FAct.

10. Marine Infrastructures in Salluit (Makivik)

Date	Activity	Participants	Comments
11-04-2002	Correspondence	Makivik to CEAA.	Notification of the project in Salluit.
18-04-2002	Correspondence	CEAA to: RAs (INAC, F&O) and EDs (EC, NRCan, PC) and FRP-N.	Federal Coordination: Project Notification Form was sent.
04-2002	Assessment	CEAA.	Assessment of the project pursuant to the JBNQA (Schedule 1 of 23.4.15) and the CEA Act (Section 5: federal powers).
23-04-2002	Correspondence	EC to CEAA.	CEA Act Federal Coordination: EC will act as ED.
23-04-2002	Correspondence	NRCan to CEAA.	CEA Act Federal Coordination: Request of information on explosives use.
25-04-2002	Correspondence	INAC to CEAA.	CEA Act Federal Coordination: INAC will act as RA.
31-05-2002	Correspondence	FRP-N and RAs (F&O, INAC), EDs (EC, NRCan, PC) to Makivik.	The CEA Act – JBNQA joint draft directive to be sent.
04 and 12 06-2002	Correspondences	RAs to FA.	Request for the FRP-N to produce the Screening report under the CEA Act.
11-06-2002	Correspondence	CEAA to F&O.	CEAA Federal Coordination: Request of information fish habitats.
13-06-2002	Correspondence	CEAA (Quebec) to FA.	Draft letter for the FA's answer to RAs request.
05 and 08 07-2002	Correspondences	FA to RAs.	Confirmation that the FRP-N mandate is extended to produce the Screening report under the CEA Act.
11-10-2002	Correspondence	CEAA (Quebec) to FA.	Draft letter for the FA's mandate at FRP-N.
30-10-2002	Correspondence	FA to FRP-N.	FA's mandate at FRP-N.
31-10-2002	Site visit	F&O (FRP-N).	Site visit by the F&O representative which is a FRP-N member.
10-12-2002	Receipt of ESIS	Makivik to FA.	Receipt of the ESIS at CEAA, Quebec.
10-12-2002	Correspondence	CEAA to FRP-N.	ESIS to be sent.
10-12-2002	Correspondence	FRP-N to KRG.	Notification that the ESIS is available from Makivik.
27-12-2002	Correspondence	CEAA to NRCan.	Response to April 23rd, 2002, letter on explosives use.
27-12-2002	Correspondence	CEAA to DCH.	Request of advice about archaeological issues.
06-01-2003	Correspondence	CEAA to EC.	Request of advice about avifauna, flora and fauna issues.
06-01-2003	Correspondence	NRCan to CEAA.	CEAA Federal Coordination: NRCan will not act as RA.

10. Marine Infrastructures in Salluit (continued)

Date	Activity	Participants	Comments
13-01-2003	Correspondence	FA to Makivik.	The final CEA Act – JBNQA joint directive to be sent.
10-02-2003	Conference call	FRP-N.	Discussions about the ESIS.
12-02-2003	Public consultation	FRP-N, Makivik.	Joint public consultation in Salluit.
07-03-2003	Correspondence	F&O to Makivik and FRP-N.	Additional questions sent to the Proponent regarding the Fisheries Act.
17-03-2003	Meeting	FRP-N.	Discussions concerning the ESIS.
20-03-2003	Correspondence	Makivik to FRP-N.	Additional document concerning the geotechnical investigation.
20-03-2003	Correspondence	Makivik to FRP-N.	Response to F&O questions.
03-04-2003	Correspondence	F&O to Makivik and FRP-N.	Additional questions sent to the Proponent regarding the Fisheries Act.
16-04-2003	Correspondence	Makivik to FRP-N.	Response to F&O questions.
06-05-2003	e-mail	FRP-N to Makivik.	Draft recommendations was sent.
07-05-2003	Correspondence	F&O to Makivik and FRP-N.	Additional questions sent to the Proponent regarding the compensation plans for the Fisheries Act.
08-05-2003	e-mail	FRP-N to F&O and INAC.	Draft report.
12-05-2003	Correspondence	Makivik to FRP-N.	Response to F&O questions.
13-05-2003	Correspondence	FRP-N to FA and RAs.	Final recommendation and comments and preliminary screening report under the Act to be sent.
12-06-2003	Correspondence	FA to Makivik, KRG, KEQC and KEAC.	Final decision to be sent.
18-06-2003	Correspondence	F&O to Makivik.	Compensation agreement proposal.
31-07-2003	Correspondence	Makivik to F&O.	Compensation plan.
28-08-2003	Correspondence	F&O to Makivik.	Violation under 35(1) of Fact and compensation plan agreement.
02-10-2003	Correspondence	INAC to Makivik.	Final screening report indicating the absence of significant negative impact.

11. Marine Infrastructures in Kangirsuk (Makivik)

Date	Activity	Participants	Comments
11-04-2002	Correspondence	Makivik to CEAA.	Notification of the project in Kangirsuk.
18-04-2002	Correspondence	CEAA to: RAs (INAC, F&O) and EDs (EC, NRCan, PC) and FRP-N.	Federal Coordination: Project Notification Form was sent.
04-2002	Assessment	CEAA.	Assessment of the project pursuant to the JBNQA (Schedule 1 of 23.4.15) and the CEA Act (Section 5: federal powers).
23-04-2002	Correspondence	EC to CEAA.	CEA Act Federal Coordination: EC will act as ED.
23-04-2002	Correspondence	NRCan to CEAA.	CEA Act Federal Coordination: Request of information on explosives use.
25-04-2002	Correspondence	INAC to CEAA.	CEA Act Federal Coordination: INAC will act as RA.
31-05-2002	Correspondence	FRP-N and RAs (F&O, INAC), EDs (EC, NRCan, PC) to Makivik.	The CEA Act – JBNQA joint draft directive to be sent.
04 and 12 06-2002	Correspondences	RAs to FA.	Request for the FRP-N to produce the Screening report under the CEA Act.
11-06-2002	Correspondence	CEAA to F&O.	CEAA Federal Coordination: Request of information fish habitats.
13-06-2002	Correspondence	CEAA (Quebec) to FA.	Draft letter for the FA's answer to RAs request.
05 and 08 07-2002	Correspondences	FA to RAs.	Confirmation that the FRP-N mandate is extended to produce the Screening report under the CEA Act.
11-10-2002	Correspondence	CEAA (Quebec) to FA.	Draft letter for the FA's mandate at FRP-N.
30-10-2002	Correspondence	FA to FRP-N.	FA's mandate at FRP-N.
31-10-2002	Site visit	F&O (FRP-N).	Site visit by the F&O representative which is a FRP-N member.
17-12-2002	Receipt of ESIS	Makivik to FA.	Receipt of the ESIS at CEAA, Quebec.
17-12-2002	Correspondence	CEAA to FRP-N.	ESIS to be sent.
17-12-2002	Correspondence	FRP-N to KRG.	Notification that the ESIS is available from Makivik.
03-01-2003	Correspondence	CEAA to NRCan.	Response to April 23rd, 2002, letter on explosives use.
03-01-2003	Correspondence	CEAA to DCH.	Request of advice about archaeological issues.
06-01-2003	Correspondence	CEAA to EC.	Request of advice about avifauna, flora and fauna issues.
06-01-2003	Correspondence	NRCan to CEAA.	CEAA Federal Coordination: NRCan will not act as RA.

31-07-2003	Correspondence	Makivik to F&O.	Compensation plan.
28-08-2003	Correspondence	F&O to Makivik.	Violation under 35(1) of Fact and compensation plan agreement.
02-10-2003	Correspondence	INAC to Makivik.	Final screening report indicating the absence of significant negative impact.

12. Marine Infrastructures Modification in Quaqtaq (Makivik)

Date	Activité	Participants	Commentaires
05-06-2002	Correspondence	Makivik to CEAA.	Notification of project to build a new breakwater adjacent to the existing infrastructures. The proponent do not intend to produce an impact study.
05-06-2002	Correspondence	CEAA to F&O.	Notification of project to build a new breakwater adjacent to the existing infrastructures.
04-07-2002	Correspondence	FA to FRP-N.	Mandate to review the project.
24-07-2002	Correspondence	FRP-N to Makivik.	Request for additional information.
25-08-2003	Correspondence	Makivik to FRP-N.	Additionnal information.
27-08-2003	Meeting	FRP-N.	Discussions on additional information.
28-08-2008	e-mail	FRP-N to Makivik.	Request for additional information-2.
04-09-2003	Conference call	FRP-N.	Discussions.
04-09-2003	e-mail	Makivik to FRP-N.	Additionnal information.
04-09-2003	e-mail	FRP-N to Makivik.	Request for additional information-3.
04-09-2003	e-mail	Makivik to FRP-N.	Additionnal information.
19-09-2003	Correspondence	F&O to CEAA.	Request for a compensation project on fish habitats.
19-09-2003	Correspondence	FRP-N to Makivik.	Request for additional information-4.
28-04-2004	Correspondence	Makivik to FRP-N.	Additionnal information.
22-06-2004	Meeting	FRP-N.	Discussions concerning additional information.
19-07-2004	Call	FRP-N to Mayor of Quaqtaq	Discussions regarding FRP-N concerns and a recommendation to wait for PHASE II.
05-08-2004	Correspondence	FA to Makivik, KRG and KEAC.	Final decision to be sent.
13-08-2004	Correspondence	DFO to Makivik.	Final screening report indicating the absence of significant negative impact and conditions under the FAct.

13. Marine Infrastructures in Aupaluk (Makivik)

Date	Activity	Participants	Comments
05-05-2003	Correspondence	Makivik to CEAA.	Notification of the project in Aupaluk.
21-05-2003	Assessment	CEAA.	Assessment of the project pursuant to the JBNQA (Schedule 1 of 23.4.15) and the CEA Act (Section 5: federal powers).
21-05-2003 03-07-2003	Correspondence	CEAA to: FRP-N and RAs (INAC, F&O) and EDs (EC, NRCan, PC).	Federal Coordination: Project Notification Form was sent.
16-06-2003	Correspondence	FRP-N and RAs, EDs to Makivik.	The CEA Act – JBNQA joint draft directive to be sent.
23-06-2003	Meeting	CEAA and RAs.	Federal Coordinator and Work Plan.
18-07-2003	Correspondence	NRCan to CEAA.	CEA Act Federal Coordination: Request of information on explosives use.
21-07-2003	Correspondence	INAC to CEAA.	CEA Act Federal Coordination: INAC will act as RA.
22-07-2003	Correspondence	EC to CEAA.	CEA Act Federal Coordination: EC will act as ED.
31-07-2003	Correspondences	INAC to FA.	Request for the FRP-N to produce the Screening report under the CEA Act.
22-08-2003	Correspondence	INAC to CEAA.	CEA Act Federal Coordination: F&O will probably act as RA.
27-08-2003	Meeting	FRP-N.	Discussions concerning coordination with KEQC and a site visit.
29-08-2003	Correspondences	F&O to FA.	Request for the FRP-N to produce the Screening report under the CEA Act.
02-09-2003	Correspondence	CEAA (Quebec) to FA.	Draft letter for the FA's answer to RAs request and FRP-N mandate.
04-09-2003	Conference call	FRP-N.	Discussions for certain correspondence, including a general guideline.
01-10-2003	Correspondences	FA to RAs.	Confirmation that the FRP-N mandate is extended to produce the Screening report under the CEA Act for all coming marine infrastructures projects.
01-10-2003	Correspondence	FA to FRP-N.	FA's mandate at FRP-N for all coming marine infrastructures projects.
29-10-2003	Correspondence	FA to Makivik.	The final CEA Act – JBNQA joint directive to be sent.
25-11-2003	Receipt of ESIS	Makivik to FA.	Receipt of the ESIS at CEAA, Quebec.
25-11-2003	Correspondence	CEAA to FRP-N, DFO and INAC.	ESIS to be sent.

13. Marine Infrastructures in Aupaluk (continued)

Date	Activity	Participants	Comments
25-11-2003	Correspondence	FRP-N to KRG.	Notification that the ESIS is available from Makivik.
01-12-2003	Correspondence	Makivik to FA.	Modifications to the ESIS.
01-12-2003	Correspondence	CEAA to FRP-N, DFO and INAC.	Modifications to the ESIS.
16-12-2003	Correspondence	CEAA to NRCan.	Response to July 18th, 2003, letter on explosives use.
